

Books

Morten Hjorth-Jensen^{1,2}

¹Department of Physics, University of Oslo, Norway

²Department of Physics and Astronomy and National Superconducting Cyclotron Laboratory, Michigan State University, USA

2016

Forthcoming Books:

1. Morten Hjorth-Jensen, **Computational Physics, an introduction**, to be published by IOP in 2016
2. Morten Hjorth-Jensen, **Computational Physics, an advanced course**, to be published by IOP in 2016
3. Morten Hjorth-Jensen, **Nuclear many-body physics, a computational perspective**, in preparation for Taylor Francis
4. M. Hjorth-Jensen, Maria Paola Lambardo, and Ubirajara Van Kolck (editors), **Computational Nuclear Physics-Bridging the scales, from quarks to neutron stars**, to be published in Lectures Notes in Physics by Springer in 2016

Planned texts for 2017 and later

TBA
